Fill out affidavit correctly and be sure that it is sworn to. Arrange the names alphabetically. Use form 2a for additional names that can not be placed on this sheet. If a child is reported with one not the parent: 1. Explain why child is not with parent. 2. Give residence of parent if living. Census of married people of either sex, who are of school age, shall be taken in district where husband resides. Names will be canceled if these explanations are not made. Give ages of children as they are May 31, 1924. If a child moves from the district during the fifteen days preceding June 1, he should be enrolled in district where he is resident May 31, 1924. Be sure that every name, age, date of birth if necessary, and full name of parent is given. The omission of one of these items may cost the district at least ten dollars, when the primary apportionment is made. Study Form 45.

Did your district lose money last year, on names canceled on census list? Read Notes.
