

LINQ Connect is Autauga County School District's mobile payment software system. While all **student meals are free** for this school year, LINQ Connect can be used to purchase special snacks such as ice cream, chips, and drinks.

Features

LINQ Connect allows you to make payments, view meal account balances, cafeteria purchases, and payment history with a few clicks. If you would like to download the LINQ Connect app, search "LINQ Connect" in your Apple Store or Google Play Store. The app is not required to register or use a LINQ Connect account.

- View Cafeteria Menus
- Download Mobile App
- Family Accounts
- Set Account Limits
- Make One Deposit & Divide Between Multiple Children
- Easily Transfer Balances Between Children
- Nearly Instant Credit After Deposit

Registering New Accounts

To register a LINQ Connect account for your family, visit the [LINQ Connect homepage](#). Only one account per family is now required! To add your children to your new account, please have the following information available.

- Child's First & Last Legal Name
- Child's Date of Birth (MM/DD/YYYY)
- Child's 10-digit SSID number (the same number used for digital report cards)

To access your child's 10-digit state ID number follow the instructions below once logged into PowerSchool.

Web Portal: Demographic Information > Student Number

Parent Portal App: More (Bottom Right) > Tools > Student ID

You can also see easy-to-follow [visuals](#) of this process. If you experience any issues logging into PowerSchool or need assistance retrieving your

child's student number.

- Child's School Name
- Child's Grade Level

Loading Account Funds

Funds can be loaded via debit/credit card, cash, or check made out to the school with "cafeteria money" notated in the memo line. If you choose the debit/credit card option, there is a 2.9% fee to load money into your account.

Set Spending Limits

If you're interested in setting child-specific or daily spending limits, please contact your child's school directly.

For additional assistance, please contact the CNP Manager at your child's school.
