Dear Parent/Guardian:

We value your role in helping your child achieve high academic standards. The following is an outline of some ways that we can build and maintain a partnership to share responsibility for supporting your child's learning. In reviewing the compact, each party agrees to maintain best efforts in supporting learning.

School's Responsibility:

- Provide high quality curriculum, learning materials, and a learning environment that enable children to meet the state's student academic achievement standards
- Provide you with assistance in understanding academic achievement standards, assessments and how to monitor your child's progress
- Provide opportunities for ongoing communication between you and teachers through, at a minimum:
 - annual parent-teacher conferences
 - mid-nine week academic progress reports and quarterly report cards
 - reasonable access to staff and opportunities to volunteer.

Parent's Responsibility:

- Ensure that your child is in school on time and attends regularly
- Encourage your child to show positive school behavior
- Review homework and offer assistance every night
- Monitor your child's social media presence and time spent on electronic devices
- Review and sign progress reports and report cards
- Attend parent-teacher conferences and participate, when appropriate, in decisions relating to the education of your child
- Request conferences as needed with your child's teacher
- Volunteer in your child's school

Student's Responsibility:

- Come to school prepared
- Complete and return homework
- Ask for help when needed
- Provide parents with all notices and information received from school
- Be responsible and respectful
