

Lucas & Shavers Newsletter

Week of
3/10/25

What We're Learning

Over the next several weeks we will be doing lots of ACAP/Skills Practice. Please make sure if you are not sick, you are at school.

Shavers

Reading:

- Greek Mythology
- ACAP Review (No Reading Tests!)

ELA:

- Compound and Complex Sentences
- Possessives
- Spelling: bio, aud (Week 4.5)

**Spelling lists are on the study guide and the Unit 4 spelling list in their binders and on my webpage. Vocab is on the study guide in their binder AND on their index cards.

This Week's Shoutout:

Everyone who made your AR goal for this 9 weeks! Way to go! Keep reading!

Lucas

Math:

This week we will continue Topic 12-Understanding and Comparing Decimals. This topic will discuss how fractions and decimals are related. We will also compare decimals by reasoning about their size. Once we complete testing for Topic 12, we will begin reviewing for ACAP. Please make sure your child is here if they are not sick.

Science:

This week we begin Chapter 6 in Science. This chapter discusses the Earth's resources. We will discuss minerals and rocks and how they are classified. What happens with weathering and erosion? We will also discuss the water cycle.

This Week's Shoutout:

Max!! Thank you for always participating in class discussions!
