

8462 - STUDENT ABUSE, ABANDONMENT, AND NEGLECT

The School Board is concerned with the physical and mental well-being of the students of this District and requires that school employees comply with the mandated identification and reporting of known or suspected cases of child abuse, abandonment, or neglect in accordance with law.

Reporting Known or Suspected Cases

- A. Any person, including teachers, administrators, support personnel, and other District and school personnel who knows, or has reasonable cause to suspect that a child or a student has been abused, abandoned, or neglected by a parent, legal custodian, caregiver, adult, or other person responsible for the child's welfare or that a child is in need of supervision and care and has no parent, legal custodian, or responsible adult relative immediately known and available to provide supervision and care shall report such knowledge or suspicion to the Department of Children and Families in a manner prescribed by law.

Further any person, including teachers, administrators, support personnel, and other District and school personnel, who knows, or has reasonable cause to suspect, that a child or a student is the victim of childhood sexual abuse or the victim of a known or suspected juvenile sexual offender, shall report such knowledge or suspicion to the Department of Children and Families in a manner prescribed by law.

A person who is required to report known or suspected child abuse, abandonment, or neglect and who knowingly and willfully fails to do so, or who knowingly and willfully prevents another person from doing so commits a felony of the third degree.

- B. The proper procedure for reporting known or suspected cases of child abuse, abandonment, and neglect is:
 - 1. Make a report immediately to the Department of Children and Families central abuse hotline, using the single Statewide toll-free telephone number: 1-800-96-ABUSE (1-800-962-2873), or via fax, web-based chat, or web-based report. School employees reporting such cases are required to provide their names to the hotline staff. The names of reporters shall be entered into the record of the report, but shall be held confidential and exempt as provided by law.
 - 2. As soon as practicable after making the report, the school staff member shall inform the principal or supervisor of his/her knowledge or suspicions, and advise that individual that the report has been made.
- C. School employees are to be advised that reporting their knowledge or suspicions of suspected abuse to a principal, or supervisor, or other school or District personnel does not comply with the mandatory reporting requirements of the law. The principal, supervisor, and other school or District personnel who are informed of suspected abuse, abandonment, and neglect likewise have an obligation to report to the central abuse hotline as required by law.
- D. No employee of the District shall be subject to reprisal or discharge because of his/her actions in reporting abuse or neglect pursuant to the requirements of F.S. 39.203.
- E. No Board employee may agree, as a condition of receiving information about child abuse, neglect, or abandonment from a victim, a perpetrator, witness, or other person, that the Board employee will not report this information as required by law and this Board policy.

False Reports

A person who knowingly and willfully makes a false report of child abuse, abandonment, or neglect, or who advises another to make a false report, is guilty of a felony of the third degree and may be subject to other penalties in accordance with Florida law.
