

Pike Road Schools

i-Ready Assessments and Personalized Paths

- CK – C6 learners within Pike Road Schools complete i-Ready Diagnostic assessments in reading and mathematics during three windows each year.
- The purpose of the assessments is to determine learners' current levels of achievement, produce data that informs the next steps for lead learners' instruction, and confirm learners' academic growth from the previous administration of the assessment.
- Parents and guardians may click the link below to receive additional information regarding interpreting their children's Diagnostic results.

- After learners complete the i-Ready Diagnostic assessments – they are assigned specified learning paths aligned with their individual skill levels and needs in reading and mathematics.
- As learners complete the assignments included within their paths – lead learners review students' performance, conference with students about their areas of growth, and continuously facilitate intervention or acceleration instruction.
- Parents and guardians may click the link below to receive additional information regarding the personalized reading and mathematics learning provided to students through i-Ready.
