FALL FESTIVAL PARTY

The Booster Club will put on a Fall Festival party on Thursday, October 31st during school hours. Students are encouraged to dress up. All students will have an opportunity to play carnival games and do a craft. **There will also be a costume contest and a pumpkin carving/decorating contest.** The party will begin shortly after 8:30. Pre-school students and parents/guardians are encouraged to dress up and join us. **School will dismiss at 11:30am.**

Wreath Orders ASB

Wreath Fundraiser

Evaline Associated Student Body is selling Holiday wreaths and centerpieces crafted by Country Garland. All earnings are used for a variety of student activities. Fundraiser

packets were sent home with students today. Please read the letter in the fundraiser packet for full details. *

All orders MUST be turned in with money by November 15th. There will be a prize of hot cocoa with marshmallows, whip cream and sprinkles for any student who sells at least one item. The hot cocoa prize will be served on Nov. 27th.

There will also be prizes for our top 3 sellers!

Conferences - 11/4 to 11/8

We will dismiss at 11:30 every day during conference week. Conferences will be held **November 4th - November 8th.** Your student's teacher should be contacting you to schedule your conference(s). **Students will be dismissed at 11:30 every day of conference week.** A "sack" lunch will be sent home with your student(s) on these days if they order one.

Thursday Halloween Costume or Favorite

Book Character

Friday - Blue Out! Evaline School Spirit Day,

Deck out all in all Blue

Booster Club Fundraiser

Thank you to everyone for making the meat stick fundraiser a huge success!

We sold 2809 meat sticks and raised \$1900.

The money raised paid for a new blue shirt and an Evaline water bottle for every student. There was enough left over that we can add some fun things throughout the year. **Thank you!**

Classes who earned a popsicle treat - TTK/Kinder, 1st/2nd and 3rd/4th. Students received their popsicles at last recess this Thursday. **Everyone got pizza for lunch today as a prize for a great fundraiser!!**

Pippa S. was our top seller with 177 meat sticks sold. We had four other students who sold over 150 meat sticks; **Avery B., Henry K., Jeralynn C., and Preston D.** All five students will be able to pick out a special pumpkin at the Pumpkin Patch field trip!! Great job!!

We have extra meat sticks in limited flavors available for purchase if anyone would like more. Contact Booster Club if interested.

TK and Kindergarten

Mrs. Tinnin

This week kindergarten is finishing up the third unit in reading. They should know the sound of the letters a, m, c, d, g, i, o, and t. Students are learning to sound out three-letter words using the sounds they learned. We continue to work on identifying the beginning, middle, and end sounds of short words. Kindergarteners also learned about the five senses. They learned about parts of the eye, how we smell, how we hear, and the sense of touch.

In math, kindergarteners are learning about the number 10.

TK is learning about families. They are also learning nursery rhymes and how to recognize syllables in words they hear. TK is working with the numbers 1 through 5.

First and Second Grade Explorers

Mrs. Mittge

Pumpkins! Pumpkins! Pumpkins!

Students read about and explored pumpkins this week. For art, we made a diagram of a pumpkin using paper plates, yarn, paint, and paper. We made observations and collected data on pumpkins as well. We measured their circumference, weighed their mass, and determined whether they would sink or float.

After studying the external features of these large fruits we dissected them! Students grouped seeds by tens to see which pumpkin had the most. We think we made a link to larger circumference and larger seed yield! After counting seeds we began germinating them and will plant them next week.

Our explorers used a VENN diagram as a pre-write to organize how two pumpkins were alike and different. We used this graphic organizer to write paragraphs comparing and contrasting our two pumpkins.

It was a busy, fun week with a busy, fun group of students!

AR Updates:

Leap One: Gunner, Willow C., Preston, Eli, Rowan S.

Leap Three: Faye, Ellis

Third and Fourth Grade Classroom

Mrs. Mars

What a busy week this week! In addition to all of our normal classroom studies students got their hearing tested, went through a smokehouse, and visited the pumpkin patch. This is a busy time of year with lots of fun activities going on but it is still important that your child is here everyday ready to learn as our normal teaching does not stop during these fun times.

Pictures for our water testing field trip last week. All of the water levels were in good ranges for salmon!

Fifth and Sixth Grade Classroom

Mr. Burlingame

This week 5th grade finished up their math chapter in decimal addition and subtraction. We've practiced in our math books and on iXL and it has been really fun to see this group grow in their understanding of decimals. 6th grade started a new chapter in math this week on integers and understanding negative numbers. They also started plotting on coordinate planes and will soon be solving linear equations.

Science has taken us through the properties of air and the composition of the atmosphere. We have now started looking at how airplanes and gliders use these properties to stay in the air. Students have modeled gliders by folding paper airplanes and noting their behavior in different environmental conditions. They then attempted to achieve stable flight by changing the shape of the airplane to counteract different forces.

A class dojo was sent out on Wednesday about conferences giving you options to sign up for a time slot. If you have any questions, please let me know either by phone at 360-785-3460 or by email at sburlingame@evlinesd.k12.wa.us.

FALL FESTIVAL PARTY

The Booster Club will put on a Fall Festival party on Thursday, October 31st during school hours. Students are encouraged to dress up. All students will have an opportunity to play carnival games and do a craft. There will also be a costume contest and a pumpkin carving/decorating contest. The party will begin shortly after 8:30. Pre-school students and parents/guardians are encouraged to dress up and join us. **School will dismiss at 11:30.**

Costumes

Please make sure costumes are in good taste: **No blood, knives/weapons, or scary masks.. etc.** Prizes will be awarded to preschoolers and students in each grade for the best costume.

Pumpkin Carving Contest

All students can work with or without a parent/guardian's help to create a masterpiece. Due to limited space and number of pumpkins, we will be doing the pumpkin judging in the bus garage. **You can take your pumpkin(s) directly to the bus garage before school on Thursday, Oct. 31st.**

Prizes will be awarded in the following pumpkin categories:

1. Funniest
2. Scariest
3. Cutest
4. Best Non-Carved
5. Open Class - Dream up one you think would be a prize winner.
6. Best Student Solo (no parent help)
7. Sweetest
8. Most Clever

Please don't carve or decorate pumpkins in poor taste: Blood, knives, etc will be disqualified. The judges will decide the category in which each pumpkin will be judged. This can be a family project. Students can have mom, dad, sister, brother, etc. help carve and decorate your pumpkin. (Except for the Best Student Solo Pumpkin) If your beautiful pumpkin needs a candle to show the full effect, put the candle inside the pumpkin and the judges will light it. Please take pumpkins home at the end of the party. Any pumpkins left after the party will be thrown out.
