“The Youth of Today Are the Leaders of Tomorrow”

Results are in! Congratulations are in order for Page Middle School's newly elected student council officers for the school year 2022-2023 (shown below).

We commend all candidates for taking the initiative to submitting their applications, creating

campaign content, and having the courage to speak to their fellow classmates, as requirements of the election process.

Despite the results of these elections, students are always welcome to provide feedback and ideas that the student council officers can

implement throughout the next school year.

Student council officers do hold a bigger responsibility in that they serve as leaders to their peers and representatives of our school.

Being involved in a leadership role will allow

these students to build skills and competencies that will get them through adolescence and eventually adulthood.

With that being said, best of luck to next year's student council officers, we are excited to see what's to come!

Hoop, There It Is!

The Page Panther Varsity Boys' Basketball team had a season for the record books. They were the first to have seeded first in the NAIC championship playoffs, the first team to go undefeated (7-0) in the regular season, and the first

to make it to the semi-finals. Unfortunately, the boys lost a hard-fought battle in overtime by only one point.

It was a great run boys, we are extremely proud of what you were able to accomplish this season.

New Season, New Sports, Same Rules

The spring season is upon us...which also means a new round of sports are here to wrap up the school year.

Baseball and softball has seen a tremendous change, with both JV teams being reduced to only one game this season. The good news, is that both varsity teams are able to keep a full schedule.

Baseball and softball varsity teams started their season with a home win against Pinon Middle School on April 6th.

Track and field have begun as well, and had their first meet in Ganado, Arizona on April 2nd.

Reminders. Parents, please be mindful of the athletic policies that are in place for the students, and for the policies coaches have for their respective sports.
