Dear SAU 7 School Community,

Thanksgiving affords us the opportunity to slow down, to reconnect with family and friends and to reflect upon those things in our lives for which we are grateful. I am honored to serve the SAU 7 School community alongside so many dedicated educators and hardworking staff. We have come together, to address the challenges of today, to model resilience and to learn.

Each day, I am grateful to be able to engage in learning with children. For it is their joy, curiosity, and imagination that helps me make sense of the world and drives me to co-create a better tomorrow.

I cannot overstate my gratitude to our students, our families, and our school community for their ongoing support and adaptability. It is my hope that this Thanksgiving will provide you the opportunity to pause and reflect with gratitude.

Happy Thanksgiving,
