First-year AFJROTC Cadet “Opt Out” Contract

As a first-year cadet, I understand this document means I am choosing to opt out of AFJROTC uniform wear. I will be held to the same behavioral and classroom expectations in the SY 2023-2024 Syllabus and Cadet Guide. I will wear the alternate uniform designated by the Senior Air Science Instructor (SASI) on days designated as uniform days. These inspections will still be graded. I understand if I desire to wear the AFJROTC uniform in the future, I must inform my Flight Leadership.

Once I earn my standard uniform, I must continue wearing it and abide by all policies in the Cadet Guide and I may no longer opt out of uniform wear. I understand by not wearing the standard AFJROTC uniform, I may not be able to participate in some extracurricular activities, including, but not limited to: field trips at the discretion of the SASI, color guard events (practices are permitted), drill team (practices are permitted), raider (practices are permitted), and JROTC Leadership and Academics Bowl competitions.
