Math:

We will be finishing Topic 3: Using Strategies and Properties to Multiply 1-Digit Numbers in our Math book this week. The Topic 3 Test will be on Monday/Tuesday this week. Study guides will come home Thursday and Friday (9/24 and 9/25). We will do part of the test on Monday and part on Tuesday because it is a longer test. REMINDER: I KNOW I HAVE ALREADY SAID THIS SEVERAL TIMES BUT PLEASE MAKE SURE YOUR CHILD FLUENTLY KNOWS THEIR MULTIPLICATION FACTS TO 12. The next Topic will be on using the same strategies but with larger numbers... We will start that Wednesday. We will NOT have regular homework this week. Students will use Monday night to study for their test and use Tuesday through Thursday to make sure they are getting our Math project completed. This math project will be worked on throughout the week and will count as a MAJOR test grade. It will be taken up Friday. If a student turns it in late, 10 points will be deducted for each day it is late.

AL History:

We will still be working on AL History this week! This week students will summarize the causes of the French and Indian War and discuss how the war affected colonial powers' claims to territory in Alabama. Students will also describe key events that caused tension and led American colonists to protest against Great Britain, including the Sugar Act, Stamp Act, Townshend Acts, Tea Act, Boston Massacre, Boston Tea Party, and Intolerable Acts.

This Week's Shoutout:

Isabella!! Thank you for always being a great example to your classmates! You are such a hard worker!!
