2024 Board and District Goals

Performance Goal #1:

Increase reading proficiency among emergent bilingual students in all grades by implementing targeted language development strategies.

Key Performance Indicators for Goal #1:

- Provide weekly small-group language support sessions for emergent bilingual students, focusing on vocabulary building and reading comprehension skills.
- Complete the implementation of language support sessions and assess the progress at the beginning, middle, and end of year.
- Add staff to support the increase in emergent bilingual students and program needs, continue with peer tutoring groups at elementary campus with high school students.

Performance Goal #2:

Enhance overall Math STAAR/EOC performance across all grade levels by implementing targeted instructional strategies and curriculum adjustments.

Key Performance Indicators for Goal #2:

- Implement a differentiated instruction approach, including additional math tutoring sessions, incorporating interactive technology, and providing tailored resources to address specific areas of weakness identified through ongoing formative assessments.
- Conduct regular assessments throughout the academic year to track progress, with the goal of achieving a 10% increase in proficiency levels by the end of the academic year. Adjust instructional strategies as needed based on ongoing assessment data.

Performance Goal #3:

Increase the percentage of students performing at the "Meets" and "Masters" levels in Math and English Language Arts (ELA) on STAAR/EOC assessments across all grade levels.

Key Performance Indicators for Goal #3:

- Implement targeted interventions, including additional tutoring sessions, personalized learning plans, and teacher professional development focused on effective instructional strategies for fostering higher-level thinking skills.
- Provide professional development on differentiation in classrooms and meeting the needs of higher-level learners in diverse classrooms.
