# Meet the teacher

Hello, wonderful families! My name is Mrs. Phelps, and I am delighted to be your child's kindergarten teacher this year at Coosada Elementary School. This marks my third year in the wonderful world of kindergarten, and I couldn't be more excited!

I graduated from Auburn University at Montgomery with a Bachelor's degree in Elementary Education in 2021, followed by a Master's degree in Elementary Education in 2022. Currently, I'm diving deeper into the world of education by pursuing my PhD in Educational Leadership, Policy, and Law at Alabama State University.

I am married to my amazing husband, Jordan Phelps, and we call Prattville, Alabama our home. Growing up in Elmore County, I feel incredibly honored to give back to the community that shaped me.

My passion lies in teaching and fostering a love of learning in my students. I believe in creating a nurturing and engaging environment where every child feels valued and excited to explore new things.

I can't wait to embark on this learning adventure with you and your child. Let's make this year unforgettable! Remember, it takes a village!
