This letter is to let you know what I expect of you while you are in class.

#### Objectives

Physical Education offers a learning experience through physical activities selected and presented with full regard to values in human growth, development and behavior. The physical education program in Ripon strives to help each student to:

- Develop interest in and maintain physical fitness
- Develop proficiency in a variety of movement skills

- Learn positive group interactions
- Nurture the above objectives throughout adult life

**Dress Code:** School P.E. Uniform must be worn. Students must print their first name and last initial, neatly and in plain view on the **front** of their P.E. shirt. Athletic tennis shoes and socks must be worn. Shoes must give support and withstand hard play on asphalt and grass.

**Excuses:** Students who are unable to participate due to illness or injury should bring a note the first day of non-participation. A parent's note is acceptable for **three** P.E. days. After that a doctor's excuse is required. Occasionally a student will become ill during the day and will be excused from participating. In order to be able to make-up the absence, he/she must bring a note the following P.E. class. If a student is unable to participate due to sickness or medical reasons, *they must still bring their P.E. uniform and shoes in a bag, or receive a non-dress.* Parent's notes must include a reason for excuse date, parent/guardian signature and phone number.

### Make Up Work - Excused Non-participation or Absence

Any student with a verified absence or any student who is at P.E. and has a note stating they are unable to participate can do make up work and not lose their points for that day. The student will be given **two weeks** from the date of absence to turn in Make-Up Work. Students can opt for a make-up mile after school based on teacher availability, or the student can choose a written assignment. It is the student's responsibility to notify the teacher within that time frame if they wish to complete make up work.

**Important Reminder:** Students are responsible for checking the P.E. calendar. Please keep it in a place where it can be referred to weekly. They should also remember to bring a water bottle. No Gatorade please. There can be No food, or gum in class.
