

# The Sleuth Scoop

## Your input requested!

Take ACS' Dual Enrollment Survey!

Autauga County Schools is considering revisions to class schedules in an effort to better accommodate the growing interest in dual enrollment courses for students in grades 10-12. Dual enrollment courses allow high school students to earn college credit by taking local, low-cost classes while also simultaneously enrolled in high school through a proctored or asynchronous format. Please take just a few minutes to complete this quick survey by clicking the link below or entering the address in your browser. Your responses by **December 8** help school and district leaders determine how to best move forward for the 2024-2025 school year based on your feedback. For more information, contact Amy Tucker, ACTC Assistant Principal and Counselor.
