What Hogwarts house are you?	Would you rather have a free period during the day or a late start?	Are you more focused on schoolwork or social life this year?	Do you prefer working on group projects or solo assignments?	Would you rather retake freshman year or skip to junior year?	Which event is better: Homecoming or Midland Dow Week?	Do you prefer your morning classes or your afternoon classes?	Have you started driver's ed yet?	Would you rather take an easy elective you don't like or a challenging one you like?	Which helps you focus more: music or silence?	Would you rather have a project, essay, or test for a final exam?	How do you spend your weekends? (Going out, staying in, doing school, or working)	Where do you prefer to sit in a classroom (towards the front, in the middle, or towards the back)?	Do you prefer first lunch or second lunch?	For English classes would you prefer to read a book or listen to an audiobook of it?
