

Power 88 30 Years

Can you remember what you were doing 30-years ago? We remember what we were doing. It was March 1992 and sweat was rolling off hard-working engineers. Management was busily trying to put the final pieces of the puzzle into place for the startup of a new FM radio station.

What should we call it? The decision was made to give it a strong, forceful name. We selected **POWER 88 FM.**

Then the slogan to match: **We know where the real power comes from!**

Now 30-years have passed since we flipped the switch and began broadcasting: **POWER 88 FM.** Life has changed. You probably didn't have a computer at work, or more than a hundred TV channels to click through at home. And Power 88 has changed, too. The style of music, the voices on the air, the musical artists are all different now.

One thing hasn't changed. We **KNOW** where the **REAL POWER** comes from. **"POWER"** may be in our name, but it's **GOD'S POWER.....**not ours.

Our job is only to reflect his light to a dark and hurting world.

Our goal is to bring the power of his grace and love into the lives of listeners.
