

Tawas Area Middle School

Student Announcements

June 1, 2022

SEE AN ACT OF KINDNESS? If so, ask ANY of your teachers to fill out a paper chain link in support of Tawas Kindness! The goal is to have enough acts of kindness to create enough chains to connect middle and high school hallways by the end of the year! Let's do it: Be Kind and Write a Chain!

SO EXCITED ABOUT THE PAPER CHAINS HANGING FROM THE CEILING OF THE MAIN HALLWAYS OF BOTH MIDDLE AND HIGH SCHOOL! We are **CLOSE** to our goal! We need even more! Please ask your teacher for a paper link to fill out for acts of kindness! Keep the chain reaction going!

DON'T FORGET ABOUT THE COMPETITION FOR PAY IT FORWARD MAY. Each 1st hour class should fill out kindness slips to create a chain made just by that 1st hour class. The class to create the most kindness links for the month of May will earn donuts in June!

NEMTA (Northeast Michigan Talent Alliance which includes COP ESD, COOR ISD and IRESA) was awarded a Marshall Plan grant in August of 2019 to create a STEM to career pipeline. The grant focuses on both STEM Professionals and Skilled Trades. These talent pools must be addressed concurrently, as they share common skill sets, and interested students may pursue either pathway. STEM refers not only to Science, Technology, Engineering, Math, but also to Skilled Trades associated with Manufacturing and Fabrication. A Skilled Trade, and STEM Professional talent shortage currently exists across the Northeastern Lower Peninsula, and all of Michigan.

In 2021 we held our first middle school summer camps at the Career Tech Center. This year we have double the opportunities for students!

There is no cost to students!
