### *Highlights from Letters to Power*

I have been so blessed by your station, especially since I lost my husband in a car accident. The pain has been almost unbearable. It seems every time I am feeling very alone, you will play a song that lifts me up so much! All I can do is praise the Lord and know that no matter what happens He is there for me! Please keep up the good work and may God continue blessing your labor of love. I will be praying for your station.
