Notes from the
Superintendent

I want to thank the office staff, custodians, cooks, bus drivers, aides, and certified teaching staff for their support and cooperation this school year. Working together as a team we have overcome the challenges of the continuing COVID-19 pandemic and delivered in person educational opportunities for our students. Even more importantly we did it safely! Finally, thank you to the parents and community for your generous support of our schools this past year. Because of the generosity of the local banks, businesses, civic groups, PTO, and individuals we were able to make numerous enhancements to the quality of our facilities and programs we offer. As a district and community we have a lot to be proud of!

It will soon be time to recognize the achievements of our graduates. One such forum will be the annual Senior Scholarship Night, which will be held on Wednesday, May 4, at 7:00 P.M. here in the Milledgeville High School gym. Details of this program are covered in a separate newsletter article.

High School Graduation will be held on **Saturday, May 21, at 2:00 P.M.** in the main gym. This is our most important ceremony of the year and a time to celebrate the accomplishments of our senior students. On behalf of the Board of Education I would like to wish the very best to our graduates as they transition to college or the workforce. Always be proud of your school and remember you will always be a Milledgeville Missile!

Summer School classes in remedial reading and math will be available this summer for students in grades K-11. Parents of eligible students will be notified by letter of the summer program, which will have shuttle transportation from Chadwick to Milledgeville where the program will be hosted. The Summer School Program will run July 25-August 11 and hopefully will serve as a jump start to the new school year.

There will be one more District Newsletter which will be delivered in early June.

Sincerely, Tim J. Schurman, Superintendent

COUNSELOR'S CORNER

The last day of school is fast approaching which means that final preparations are being made for next year. Students can see their schedule for next year in Teacher Ease. I will be in my office through June 3rd. This will be the best time to make scheduling changes. Please feel free to contact me with any concerns about your student's schedule during this time. I will not be able to be reached until I am back in the office in August.

Academic awards night is scheduled for Wednesday, May 4th in Milledgeville High School gym beginning at 6:00 p.m. This will be followed by senior scholarship recognition night, and the presentations will begin at 7:00 p.m. You should have received a letter if your student is receiving an award and/or scholarship this night.

Juniors-it is important for you to start narrowing down your college choices. Take advantage of the summer to do some campus visits. Once school starts next fall, you will want to start sending out college admission applications.

NURSE'S NOTES

With the end of the school year fast approaching, it is time to think about physicals for the next school year. Illinois Law states that all children entering preschool, kindergarten, sixth grade, and ninth grade, as well as new students from out of state, must have a current physical exam, dated no less than one year from the start of the new school year. Immunizations need to be updated at that time also.

For any ongoing health problems (allergies, Asthma, Diabetes, A.D.D., A.D.H.D., Migraines, seizures, intestinal disturbances, and so on) please remember if your child takes medication during the school day, the medication forms need to be filled out by your child's doctor and yourself on a yearly basis. The medication, whether prescription or non-prescription, must be brought to the school in the original package. Medication must be left in the school office. No medication is to be kept in students' possession or lockers.

Dental examinations are required by law for grades kindergarten, second, sixth, and ninth. Vision examinations are required by law for kindergarten and all new students from out of state.

Sport physicals need to be filled out on an "IHSA" form. You may pick these up in the school offices. School physicals can be used for sports; however, sports physicals cannot be used for school.
