at APS
After School Care

Dear APS Parents,

Our FREE after school program is specially designed to help your child succeed in school and be a super school citizen. We will help your child be a STAR by providing:

Supervised homework completion with help if needed

Tools to succeed in school including extra practice in Reading & Math

Awesome activities including recreation, sports, art, music, & MORE

Read life experiences like cooking & community service

Our goal is to provide a safe, fun, and educational place for your child to be in the afternoon. Each day we will:

3:00-3:30 Eat a snack and have an indoor recess

3:30-4:30 Special Classes **OR** Homework/Reading Time

4:30-5:30 Computer Time on Reading or Math Education Websites, Recreation,
Free time

5:30 – Our program ends

Your child can come every day, just when needed, or just for a special class! To have your child participate, you need to fill out this form!
