# PRATTVILLE INTERMEDIATE SCHOOL PROCEDURES

## ARRIVAL AND DEPARTURE

Students who are transported by school buses, arrive and depart school at various scheduled times. Students who are not transported by school bus, **should not arrive prior to 7:15 a.m., nor should they remain later than 3:30 p.m.** because supervision is not available before and after these times. Upon arrival, students will sit in the hallway outside their assigned classroom until 7:45 a.m. They are expected to remain quiet while reading or working on a school assignment. Early morning duty teachers supervise. When dropping off or picking up students, **do not drive through or park in the teachers' parking lot, reserved spaces, or block the crosswalk.** Please always drop your child off in front of the school. **Students should be picked up NO LATER than 3:30 p.m.**

## TRANSPORTATION ARRANGEMENTS

Transportation arrangements for students on regular and rainy days should always **be made in advance!** Do not instruct your child to call home if it is raining. Have alternate plans ready and be sure your child understands them.

## BUS TRANSPORTATION

School bus transportation is a privilege that may be withdrawn for a student's failure to comply with ACS policies and procedures set forth. A student should only ride the bus he/she is assigned. Any emergency request to ride a bus, or a different bus, must be requested in writing by the parent/guardian and **submitted to the office for approval by the Autauga County Transportation Department.** Students will be allowed to get off the bus only at school, home, and locations requested in writing by parents. The driver is in complete charge of the bus and its occupants at all times. Students riding the bus must comply with the requests of the driver.

## ATTENDANCE POLICY

In order for a student to succeed at Prattville Intermediate School, regular attendance is imperative. Attendance is also important because our teacher units (number of teachers assigned to PIS) are based primarily on ADM (Average Daily Membership). Please understand that we do not want a child to come to school ill. Not only is it bad for the sick child, but it is possible that he/she may infect other students or teachers while at school. A student in school **for less than 3 ½ hours a day (11:30 a.m.)** will be counted absent for the day.

### ABSENCES

A parent, guardian or other person having charge of any child officially in Alabama public schools (K-12) shall explain in writing the cause of any and every absence of the child no later than **three (3) days** following the student's return to school. This **parent note** or **doctor's excuse** will excuse an absence which enables the student to make-up any work missed while absent. A **written note from parents or guardians**, as described below will excuse absences for up to but **not exceeding seven (7) absences during the school year**. A satisfactory note from a parent or guardian meets the following State guidelines:

- \* illness;
- \* death in the immediate family;
- \* inclement weather (as determined by the principal) which would be dangerous to the life and health of the child;
- \* legal quarantine;
- \* vacation
- \* emergency conditions as determined by the principal; and
- \* prior permission of the principal and written consent by the parent or guardian.

## TRUANCY DEFINITION/UNEXCUSED ABSENCES

Absences for reasons other than those defined on page 5 shall be considered as unexcused. Failure to provide such explanation shall be evidence of the child being truant each day he/she is absent. Forged excuses will be coded as unexcused. The child shall also be deemed truant for any absence determined by the principal to be unexcused based on the State Department of Education's current School Attendance law. Parent/guardian shall be notified by the school principal or his/her designee of the first truancy/unexcused absence (warning), third truancy/unexcused absence (letter), and fifth truancy/unexcused absence (conference-mandatory except in case of an emergency or prior arrangement). **Seven (7) unexcused absences within a school year constitute a student being truant for the purpose of filing a petition with the Court.**

## LATE ARRIVALS

Any student not seated in his/her classroom when the 7:55 a.m. bell rings is considered tardy to school. A student arriving after 7:55 a.m. must report **with his/her parent/guardian to the front office, sign in, and provide** a reason for being late. A tardy is excused for the same reason as an absence. A late admission slip will be issued so the student may be admitted to class. The following consequences will be given for tardiness:

Unexcused Tardy 1-4	Teacher contact with parent
Unexcused Tardy 5	Parent notification by an Administrator
Unexcused Tardy 6-8	Morning Detention

\*\*\*Discipline after the 8<sup>th</sup> tardy will be determined by the administration.

**Tardy count will be reset at the beginning of each semester.**

## EARLY DISMISSALS

Parents are encouraged to leave their children in school all day. Doctor or other appointments should be scheduled outside of school hours and on school holidays, whenever possible. **Check outs occurring after 2:30 p.m. are strongly discouraged.**

- Students who leave school for any reason must check out through the front office.
- Students may be checked out only by a parent/guardian unless the school receives **permission in writing** by the parent/guardian in advance.
- **A PICTURE ID WILL BE REQUIRED FOR ANYONE CHECKING OUT A STUDENT.**
- “Emergency person” may check out a student in cases of sudden illness, accident, or similar incident where parent/guardian **cannot** be reached.
- The nature of the check-out will determine whether the absence is excused.
- Check-outs are excused for the same reasons as absences. Only an excused check-out permits work to be made up.

## **PARENT ORGANIZATION**

The Association of Parents and Teachers (APT) exists to promote the education and welfare of our children. Parents are encouraged to join and participate assist with activities. We welcome new ideas.

APT meetings will be held every first Tuesday of the month at 10:00 a.m. in the Parent Resource room.

## **PIS STANDARDIZED TESTING**

Our students will be taking the Alabama Comprehensive Assessment Program (ACAP) during the 2024 – 2025 school year.

**ACAP Alternate Testing: March 3, 2025 – April 4, 2025**

**ACAP Summative Testing: March 7, 2025 – April 25, 2025**

## **HOMEWORK**

Students will have homework regularly. There are several reasons for assigning homework:

- To provide reinforcement of skills
- To provide further learning in areas covered in the classroom
- To provide opportunity for students to establish and maintain good work habits
- To provide an opportunity for growth in responsibility
- To provide parents with opportunities to see what their child is learning
- To monitor his/her progress

We believe that learning should continue after school hours. Daily homework in no way is to be viewed as punishment, but rather as a means for continued practice and progress to occur.

## **TECHNOLOGY USE**

Various modes of technology will be used to enhance instruction and learning in the classroom. All students will have access to technology in their classrooms including but not limited to a PIS issued device, SmartPanel, computer lab, etc. Technology/internet usage permission is found in the back of the Autauga County Code of Conduct.

## GRADING SYSTEM

Academic grades are given to reflect the teacher's most objective assessment of the student's academic achievement. The grading scale used by teachers in the Autauga County School System is as follows:

A = 90 -100

B = 80 - 89

C = 70 - 79

D = 60 - 69

F = 0 – 59

## PROMOTION AND RETENTION

Students in grade five (5) will be retained if they do not pass English Language Arts, Reading, and Math in a given school year. A yearly numerical average of 60% or above constitutes a passing grade.

Students in grade six (6) must pass a total of five courses of which English Language Arts, Math, and one other core content area course (Science or Social Studies) must be included in the five to promote to the next grade level. A yearly numerical average of 60% or above constitutes a passing grade.

**\*When English Language Arts standards are divided between two periods, students must pass both English Language Arts and Reading.**

It is recommended that a student be retained a maximum of two (2) nonconsecutive years in grade one (1) through six (6) preferably once in grade one (1) through grade three (3) and once in grade four (4) through grade six (6) if not performing according to the promotion and retention policy. An administrative decision substantiated by teacher recommendation for promotion or retention may be exercised based on (1) history of attendance, (2) age of student, and (3) failure to complete grade level requirements regardless of the number of previous failures.

### Special Education (Grades 1-8)

Special education students, who are receiving all instruction in a regular classroom for a particular subject, will be evaluated in that subject according to the same standards as regular students and will be required to meet promotion standard in that subject unless otherwise specified in the student's Individualized education Program (IEP).

If a student is receiving instruction in the special education classroom or is receiving instruction in a subject in both the regular and special education classrooms, the Individualized Education Program (IEP) developed by the IEP committee will govern promotion.

## REPORT CARDS

Written reports of students' academic performance will be distributed to parents/guardians on a nine-week basis. Report cards should be promptly reviewed, signed by parents/guardians, and returned to the teacher within five school days.

## TEXTBOOKS

Textbooks are furnished by the State of Alabama and Autauga County Board of Education. All students are encouraged and expected to take care of these books. Parents and pupils will be held liable for loss, abuse, or damage in excess of normal use. Please see the memo to parents concerning the pupil-parent responsibilities for the care of county-owned textbooks. The signature on this memo by both student and parent/guardian verifies that the regulations concerning the textbooks are understood. Students owing textbook fines will not be allowed to take textbooks home until they have paid for lost/damaged book.

## CHROMEBOOKS

Prattville Intermediate School assigns a federally purchased Chromebook device to every student while he/she is enrolled. Students are expected to properly manage his/her Chromebook. ## **TIPS ON HOW TO BE A SUCCESSFUL STUDENT**

- Every day have an organized notebook, paper, pencils, and erasers. Pens, rulers, and other special supplies are sometimes needed.
- Learn to follow directions exactly how they are given. Get your assignments organized and clearly in mind before starting.
- Concentrate completely on your work and do your work independently.
- Go over your work and check for mistakes.
- Be neat in all of your written and project work.
- Turn in all assignments on time.
- Always arrange to make up work missed when absent. It is the student's responsibility to do this as soon as he/she returns.
- Be sure to meet all of the requirements of your class for a passing grade.
- Do your best at all times.

***“The more you read, the more you know.  
The more you know, the smarter you grow.  
The smarter you grow, the stronger your voice  
when speaking your mind or making your choice.”***

## MEDICATION

Occasionally, a child will need to receive medications at school. When this becomes necessary, the parent is responsible for obtaining a Medication Consent Form from the school office or the back of the Autauga County School Code of Conduct Handbook. **Over the counter drugs and prescription drugs will not be administered without a Medication Consent Form signed by both the parent and the doctor.** The form allows the physician to give the school directions on how to give the required medication and any side effects that may occur from the medication. The first dose of any medication should be given at home where any reaction may be observed by the parent/guardian and reported to the physician.

All medicines must be in the original prescription bottle clearly labeled by the pharmacist with the student's name, name of the medication, dosage, and time the medication should be given at school. Most pharmacists will be glad to give you an extra-labeled bottle to keep at school, if you ask. **All medications must be brought to school by a parent and signed in by the nurse. Do not send your child to school with medication.**

Parents are responsible for keeping their child's medicine refilled for school use and for obtaining an updated Medication Consent Form signed by the physician when there is a medication and/or dosage change. There should never be more than one month's supply of medicine left at school.

If possible, parents are encouraged to schedule medication times before or after school. Securing and safeguarding medicine and children leaving the classroom for medication are both time consuming and disruptive.

Full cooperation will be given when it is necessary for a child to receive medication at school in order for the child to be present. Parent's/guardian's cooperation is expected in return.

## WHEN TO KEEP YOUR CHILD HOME

Regular attendance at school is encouraged and is necessary for a child's progress. However, he/she should stay at home if he/she has any of the following conditions in order to prevent the spread of communicable diseases to others:

- Fever**      A temperature of 100 or above. The child should remain home until fever free for 24 hours or on antibiotics for 24 hours.
- Vomiting**    Your child should not attend school if he/she has vomited within the last 24 hours.
- Diarrhea**    Your child should remain home if he/she has had diarrhea within the last 24 hours.
- Undiagnosed rash**  
Your child should not attend school until the rash has been diagnosed and treated. It could be measles, chickenpox or some other contagious disease.
- Pink Eye (conjunctivitis)**  
Pink eye is contagious. Your child should be seen by a doctor and treated before returning to school.
- Lice and/or nits(eggs)**  
Your child should not return to school until he/she has been treated with a lice shampoo and removed as many nits as possible. You must accompany your child upon his/her return to school and bring a receipt for lice shampoo. Take your child to the office to see the school nurse.

There are times when your child looks and feels like he/she is too ill to study or learn in school. If so, there is no point in being at school. He/she will not be able to learn.

## **GIFTED STUDENTS**

Gifted students are those who perform at or who have demonstrated the potential to perform at high levels in academic or creative fields when compared to other students of their age, experience, or environment. These students require services not ordinarily provided by the regular school program. Students possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor.

Teachers, counselors, administrators, parents or guardians, peers, self, or any other individuals with knowledge of the student's abilities may refer a student. Additionally, all second grade students will be observed as potential gifted referrals using a gifted behavior checklist.

For each student referred, information is gathered in the areas of Aptitude, Characteristics, and Performance. The information is entered on a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for gifted services.

For more information, contact the Autauga County Board of Education Special Education Director, Dr. Sharon Streeter, at 334-361-3843.

## **RESPONSE TO INTERVENTION (RTI)**

There is a recognition that students may be at risk of not experiencing school success and are in danger of school failure and/or non completion. Many of these students may be served through the Response to Intervention Team (RTI). This team provides focused attention and assistance in identified areas of need, which gives the students an opportunity to experience success.

All inquiries regarding RTI at Prattville Intermediate School should be directed to Mrs. Makeva Preyear, Counselor, at 361-3880 ext. 1316

## **CHILD FIND**

The Autauga County School System is committed to providing educational opportunities to all exceptional children. Services are provided to students identified with special needs according to the Alabama Administrative Code, to include the areas of Autism, Deaf-Blindness, Developmental Delay, Emotional Disturbance, Hearing Impairment, Mental Retardation, Multiple Disabilities, Orthopedic Impairment, Other Health Impairment, Specific Learning Disability, Speech of Language Impairment, Traumatic Brain Injury, and Visual Impairment.

If you live in Autauga County and have a child or know of a child who is exceptional between the ages of 0 -12, and not in school, call 361-3843 or write .... CHILD FIND, AUTAUGA COUNTY SCHOOLS, SPECIAL EDUCATION DEPARTMENT, 127 WEST FOURTH STREET, PRATTVILLE, ALABAMA 36067.

## **504 SERVICES**

504 Services are available at Prattville Intermediate School for students who have a physical or mental disability which substantially limits one or more major life activity. The Autauga County School system provides these services at each base school for all students who meet the eligibility criteria. You may receive additional information by contacting our school's 504 coordinator, Ms. Makeva Preyear or the system's 504 coordinator, Mrs. Tisha Addison at 153 West Fourth Street, Prattville, AL 36067, or 334-365-5706.

## **ACCELERATED READER PROGRAM**

The Accelerated Reader Program is a computerized reading program that promotes the reading of quality children's literature. Students read a book and then take a test based on what they have read. Students can earn rewards according to their points earned. Participation is highly encouraged in each classroom and in our Media Center. Each year, our students earn thousands of points, but more importantly, they become excited about reading and learn more.

## **STUDENT INSURANCE**

A prominent insurance company (not connected in any way with the school) offers an accident policy that gives very good coverage. This company will furnish each student a copy of the benefits offered so parents have the opportunity to insure if they wish.

## **CLUBS/HOUSES**

Clubs are not part of the student experience at Prattville Intermediate School. Instead, each student is placed into a HOUSE. Currently, there are four HOUSES. They are: ALTRUISMO, AMISTAD, ISIBINDI, and REVEUR. Based on our research, we believe this concept of student involvement, interaction, and responsibility will contribute to a better overall experience for all of our students. Please visit our website to learn more about our HOUSES.

## **MEDIA CENTER**

Students are encouraged to use the Media Center for specific purposes relating to their course of study. Students can use the Media Center provided they have a pass. Our Media Specialist, Mrs. McLeod, will provide students with specific instructions on library use.

## **PARENT CONFERENCES**

Parents are encouraged to come to school to talk with their child's teacher(s). Conferences are scheduled to coincide with the teacher's planning period. Please be mindful that as a professional courtesy, we ask that teachers be given at least a 24 hour notice before scheduling a parent conference. Conferences can be scheduled through the main office by calling 361-3880.

## AWARDS

At the end of the school year an Awards Day is held. During this program, various awards are presented to students who excel in various areas such as perfect attendance, academics, good character, etc. Awards Days are scheduled for Monday, May 19, 2025 and Tuesday, May 20, 2025. Times are to be determined.

## DISCIPLINE

To ensure an ideal social and educational climate, it is important that students understand that good behavior is expected at all times. Discipline will be administered when any student's actions impede and/or interfere with the rights of teachers to teach and students to learn. Your child's homeroom teacher will review our plan. **Please visit our website or the District's website to review Autauga County Schools Code of Conduct.**

## CONSEQUENCES

Inappropriate behavior may be addressed by other methods of discipline including but not limited to **In-School Suspension (ISS)**, **Out of School Suspension**, and **Assignment to Alternative School**. A detailed listing and description of consequence can also be found in ACS Code of Conduct.

## FIELD TRIP GUIDELINES

Field trips are an extension of the classroom. The same rules of conduct governing the classroom apply on field trips. **Parents** have the opportunity to serve as chaperones. When considering to chaperone, please review the following guidelines:

1. Younger/older siblings/other relatives **will not** be allowed to accompany chaperones on field trips. It is necessary full attention be given to those students assigned to your supervision.
2. Students are expected to ride the bus both to and from the destination. Parents may check out their child by signing the check out form your child's teacher will have with them. Parents may not check out children belonging to other families (including relatives) unless prior approval has been given by the principal or his/her designee.
3. The number of required chaperones will vary depending on the nature of the field trip. The number of chaperones, as well as the selection of chaperones will be determined by your child's teacher. On some trips, parents will need to provide their own transportation.
4. Chaperones are responsible for the safety of the students assigned to them. At no time should children wander or stray from the sight of the chaperone, with the exception of restroom visits. If a student does need to visit the restroom, the chaperone shall remain outside the restroom until the student has safely rejoined the group.
5. Prior to leaving for the field trip, chaperones will be given instructions on the time and place to meet back with the other groups. Chaperones should wear a watch and pay close attention to the time of day. It is extremely important all students leave at the scheduled time. Teachers need to return to school in time to prepare their students for dismissal.
6. **Smoking and consuming alcohol are prohibited on school grounds and during field trips.**
7. Dress casually, appropriately, and comfortable on field trips.
8. Field trip money cannot be refunded. Many vendors require payment prior to the date of the actual field trip. Once the school pays for the field trip, that money is now in the hands of the vendor.
9. Students who receive an office referral and are assigned to the Alternative School or Out of School Suspension on the day of the field trip **WILL NOT** be allowed to participate in the trip. There will be NO refunds.

## **DRESS CODE**

A standardized dress code of Autauga County Schools has been adopted to ensure that all students are provided safe and appropriate educational opportunities which are free from unnecessary disruptions or outside influences and to instill in students the need to dress appropriately and have respect for each other and authority. For young people, especially teenagers who are beginning to find their true identities in the middle of peer-pressure and parent prodding, dress is an important issue. For the younger children, lifetime habits of taste and dress are greatly affected by their childhood dressing patterns. This dress code will be strictly enforced in all Autauga County Schools, kindergarten through high school.

We encourage you to familiarize yourself with the following explanation behind the choice of the standards.

The way a person dresses reflects the way he/she thinks. We want to prepare students for the world of work, and we believe a neat professional appearance is a good habit to develop in the childhood years. Just as students would dress one way for a picnic or ball game, there is an appropriate way to dress for school. A well-groomed student should come to school with an attitude that prepares him/her for neat, conscientious work. His/her attire should give him or her respect for self, fellow students, and teachers.

Students who have questionable or inappropriate dress will not be allowed to attend class. The following items will serve as a minimum guide to acceptable dress for Autauga County School students. Any school modifying the Autauga County School Dress Code must obtain Superintendent approval. We expect parents to take an active role in supporting our dress code. The administration of each school shall maintain absolute authority in making subjective judgment concerning a student's dress and personal appearance. Dress code violations will be subject to disciplinary action. These guidelines serve as a minimum guide. The principal shall have the discretion to outline other appropriate guidelines for their campus for special occasions

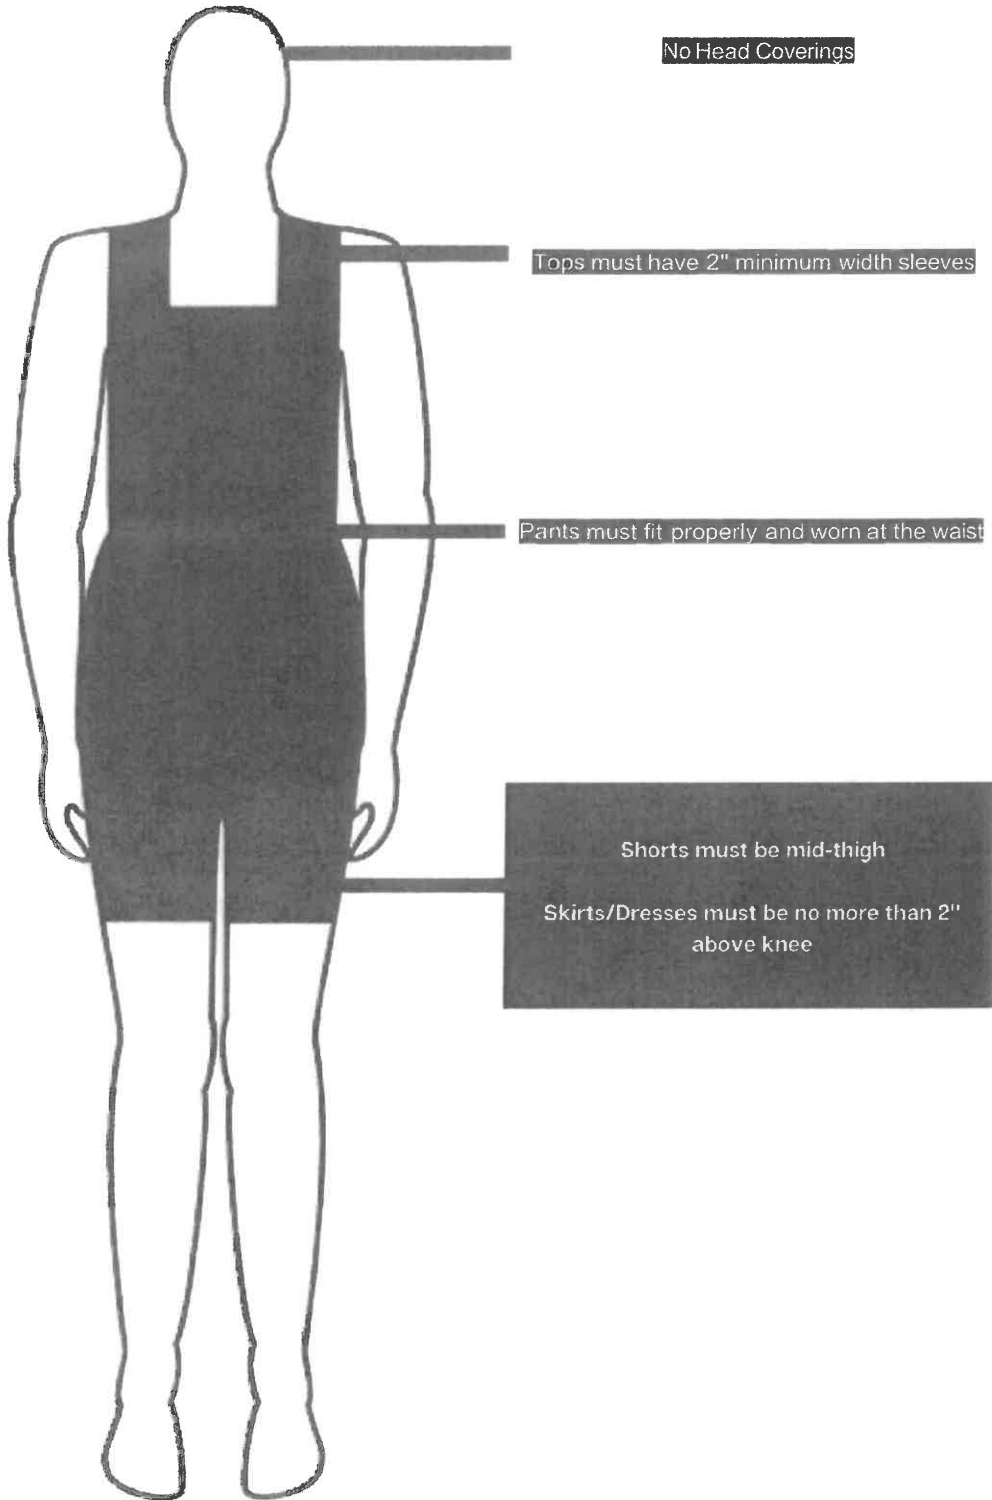

### **Students in the Autauga County School System shall wear the following:**

1. Clothing conducive to learning and respectful of the learning environment;
2. Clothing which fully covers the shoulders, cleavage, abdomen, and back.
3. Clothing that is appropriate to the student's size.
4. Pants/slacks should fit at the natural waistline.

6. Skirts and dresses no more than two inches above the knee.

7. Shorts that are mid-thigh.

9. Ear piercings are allowed. Earrings, hairstyles, facial piercings and other adornments that draw attention to oneself in a manner that may be disruptive to the educational process or pose a safety risk are also prohibited.
