

2022 Career Days

Trident Tech Career Days

Plan your future with Trident Tech Career Days, a virtual experience. Daily events will be held online March 7-11.

Learn more about programs at Trident Tech and related careers, hear from faculty who teach in these programs and ask your questions.

Virtual events will be held as shown below.

| | Monday | Tuesday | Wednesday | Thursday | Friday |
|--------------|--|----------------------------------|--------------------------|-------------------------------------|---|
| | March 7 | March 8 | March 9 | March 10 | March 11 |
| 9:30 | Dual Credit and Youth Apprenticeship Programs | Information Technology | Business | Health, Human and Personal Services | Student Services |
| 12:00 | Engineering and Manufacturing | Maintenance and Technical Trades | Law and Criminal Justice | University Transfer | Student Talk with TTC Student Ambassadors |
| 3:00 | S.C. Aeronautical Training Center Virtual Tour | Education | Culinary and Hospitality | Media and Visual Arts | |

In addition to the sessions focused on academic areas of interest, you can learn about high school programs at the Dual Credit and Youth Apprenticeship Programs session. Attend the Student Services session to learn about admissions, financial aid, testing, counseling, disabilities services and more. Take a virtual tour of the S.C. Aeronautical Training Center. Ask Trident Tech students questions at the Student Ambassador session.

Choose the sessions you want to attend. Attend as many sessions as you'd like!
