What's Happening

We are off to a great start with our extended day CCLC program! However, we're super excited about Summer Camp, June 3rd-27th. We expect all of our current CCLC students to be here. Campers will engage in integrated, engaging lessons, focusing on Reading and Mathematics during the day. In the extended hours, STEAM, dance, cheer, theatre & Taekwondo sessions will be available. Send your child's summer application to school tomorrow.

Reminders

Attendance

Students are expected to attend the duration of the program. Students with excessive early dismissals and absences will be dismissed from the program. Contact us if your child needs an early dismissal. Each student has to be signed out by the parent/guardian.

Snacks

Our program requires healthy eating practices. Students are allowed to bring a snack from home. We ask that you do not allow your child to bring large bags of chips and large containers of juice or sports drinks. Students may bring a small snack and water. Students are not allowed to eat candy or drink soda during snack time.

Behavior

We are experiencing an increasing amount of behavior infractions. Students are expected to follow all rules and procedures. Students who fail to comply will receive a write-up, loss of privileges such as attending field trips, and/or dismissal from the program. Please talk with your child about the importance of good behavior.

Advisory Committee

- We want to ensure that our program is effective and meets the needs of all participants.
- Please join our Advisory Committee by scanning the QR code. Please give us your honest feedback about the program.
