

What is a School-Parent Compact?

A school-parent compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers work together to ensure all students receive the individual support they need to reach and exceed grade level academic standards.

Jointly Developed

The parents, students, and staff of Ambrose Elementary School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the Spring each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies.

Parents are welcome to contribute comments at any time.

Building Partnerships

*Join us throughout the year as we provide an equitable education for every child.
We look forward to seeing you!*

- Open House (TBA)
- Parent-Teacher Conferences (September 4 & February 8)
- PASS Training
- Family Nights /Curriculum Events
- Parent Resource Center
- Volunteering

Communication about Student Learning

Ambrose Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

- School Newsletters
- Parent-Teacher Conferences
- Progress Reports and Parent Portal
- Weekly Folders
- Kinolved/Phone Calls
- School Website
- School Facebook/Instagram/Peach Jar

OUR MISSION: Destination Graduation
for College, Career, and Life

OUR VISION: Creating a stronger
community through an equitable and
excellent education for every student

Our Goals for Student Achievement

District Goals

- ⇒ During the 2021-2022 school year, Coffee County Schools will increase the percentage of students scoring at the Developing level or above on all English/Language Arts End of Grade (EOG) assessments.
- ⇒ During the 2021-2022 school year, Coffee County Schools will increase the percentage of students scoring at the Developing level or above on all Mathematics End of Grade (EOG) assessments.

School Goals

Ambrose Elementary School will:

- ⇒ Increase the percentage of students scoring at developing learner or better on the GMAS for ELA and Math.
- ⇒ Increase the percentage of students scoring within or above the Lexile grade level band on the Reading Inventory by the end of the year. (2nd-5th)

“Hand in hand we will work together to carry out these cooperative goals.”

Teachers, Parents, Students—Together for Success

School/Teacher Responsibilities

Ambrose faculty and staff members will work with students and their families to support student success in all content areas as well as in behavior. Some of our key connections with families will be:

- Provide meaningful school work and homework to enable the students to meet the state’s academic achievement standards
- Enforce school rules fairly and consistently as outlined in our Positive Behavior Interventions and Support (PBIS) plan
- Help students set goals and monitor their progress in meeting those goals
- Enter grades into Parent Portal in a timely manner
- Offer free Family Engagement Opportunities
- Communicate regularly with parents about their child’s academic progress

Family Responsibilities

Ambrose parents and guardians joined staff to develop ideas about how families can support student success in all content areas as well as behavior. Families may have other ideas to add to this list.

- See that my child attends school regularly, on time, and is present for the entire school day
- Show support by attending conferences, workshops, meetings, and school events
- Communicate regularly with my child’s teacher to monitor academic progress
- Spend time each day talking with my child about what he/she is learning
- Set high expectations for my child and the importance of education and learning
- Check agendas, newsletters, Parent Portal, and weekly papers

Student Responsibilities

Ambrose Elementary students join staff and parents to develop ideas about how they can succeed in school and work towards meeting their goals.

- Come to class prepared and ready to learn, with my supplies and homework
- Follow all school and bus rules and accept responsibility for my own actions
- Spend time at home completing homework assignments, studying, and/or reading daily
- Study math facts to improve fluency
- Be respectful, responsible and a role model by following our PBIS plan
