

FPS is a MTSS school

What does that mean?

Multi-Tiered Systems of Support

- Academic, Behavior, Social-Emotional
- School wide Systems Approach
- Proactive rather than Reactive
- MTSS is a SYSTEMS change ... full implementation will take 2-4 years.
- Everyone supports the system that supports students

Multi-Tiered Systems of Support
Academic, behavior, social-emotional school wide systems approach

We exist to ensure all students acquire the academic, social-emotional & life skills necessary for future success.

More information on the Flasher Public School website:

Flasher Public School

Every student,
every chance,
every day.

FPS offers school wide Title I

- Comprehensive needs assessment
- School wide reforms strategies
- Coordination of programs, services, & resources
- Co-mingling of funds (optional)

What are school wide goals?

Continuous improvement around instruction and supports for growth in academics, social-emotional and behavior. By focusing our efforts in refining and improving our MTSS process, all students and staff have an opportunity to grow and thrive in this school community.

How you can get involved:

- Annual Title I meeting
- Parent-Teacher conferences
- Family Fun Night
- Annual school wide review meeting
- Volunteer
