

## **ADA Release and Statement Form**

I give the ADA/504 Coordinator permission to issue letters/emails to my instructors informing them that I am a student in need of academic accommodations.

I understand that it is my responsibility as a student to meet with the ADA/504 Coordinator before the start of each semester to inform them of my new class schedule and instructor list by completing a new Request for Accommodation Form. Accommodations are not retroactive and therefore it is best to meet with ADA coordinator a few days before classes begin each semester.
