WCSD AND COMMUNITY PARTNERS CELEBRATE SCHOLARS IN "COMMUNITY ACHIEVEMENT FEST"

The South Carolina State Department of Education recently announced the results of SC READY, SC PASS, and End of Course exams, and WCSD's students achieved improved results. On Friday, August 23rd, the Williamsburg County School District and its community partners honored the students for their performance on last school year's standardized tests at an event called "**Community Achievement Fest.**"

Students who took the SC READY / SC PASS Assessment were treated to pizza. At the high school level, students were treated to food trucks, with each high school student receiving a voucher redeemable at participating food trucks. The improvements in the state assessments district-wide were the cause for celebration last Friday. Special thanks to the community partners for joining in to celebrate the students, faculty, and staff.
