Dr. Debra Taylor

What a beautiful summer! Our year round staff are busy preparing for school to resume on August 29, 2023. Our schools are bustling this summer with repairs, maintenance and deep cleaning. Our year round staff are hard at work preparing our schools for the return of our students this fall.

Our leadership team will hold our retreat on August 21. We will focus on ALMA implementation progress toward the SAU 7 Strategic Plan.

We are continuing our hiring process for teachers and support staff in each of our schools. We are pleased to welcome these new teachers and administration to our team:
