Attention Working Parents:

Tiger Care is Tri-Township's after-school child care program that seeks to engage children in an active and educational setting. This includes snack time, homework support, computer skill development, physical activity, and sometimes crafts, group projects, and an occasional field trip. Tiger Care is open to Tri-Township students through ninth grade from 2:45pm to as late as 5:30pm for only \$4.00 per hour, per child. You must register on paperwork available from Mrs. Mroz or the school office before the first day you send your child or children to Tiger Care. For more information, contact the Tiger Care Director, Lynette Mroz, at lmroz@tritownship.k12.in.us.

New for Junior High!

Tri-Township Jr-Sr High is excited to launch two new Project Lead the Way (PLTW) courses for 6th & 7th graders:

-  Energy and Environment – exploring sustainable energy solutions.
-  Medical Detectives – solving medical mysteries through hands-on labs.

Both courses will be taught by Mrs. Mindy Rouse, who completed PLTW training this summer. We can't wait to see our students dive into these exciting, real-world learning experiences!

 Go Tigers!
