

It is fall!

We are so thrilled for fall to be here! We are excited for some fall weather. What an exciting and fun time of the year. Your kids are doing great and we are learning a lot.

During **October**, we will be learning about pumpkins, community helpers, and having some fun with **Halloween**! Every day, we are counting, reviewing the calendar and having fun with letters and sounds. Each week we go over a letter, say the sound, and practice writing it.

Towards the end of October, we will be scheduling conferences with you to talk about what your child is learning. Please make note the conference day will be sometime in November.

We hope your children are sharing their experiences with you. We certainly are loving seeing each of them grow. We are very blessed.

Mark Your Calendar
