WHAT TO WEAR FOR YOUR MOBILE AZALEA TRAIL MAID INTERVIEW

Tips for Success

A skirt suit, pants suit, or tailored dress is recommended.

Make sure your outfit is wrinkle-free.

Pair your suit with a well-fitting blouse. Be sure to avoid low-cut or overly revealing options.

Stick with solid colors or simple patterns. You do not need to wear one of the Trail Maid dress colors.

Accessories should be simple: modest jewelry, light make-up, and neat and clean nails.

Be sure your hair is neatly groomed. Avoid the "messy" look or hair that falls and covers your face.

Check your outfit for missing buttons, lint, or stains.

If wearing heels, be sure that you can easily walk in them. We recommend a low-to-medium heel height.

When choosing a skirt length, be considerate of how short it appears when you are sitting.

Overall, choose an outfit that makes you feel comfortable and confident.
