

Good evening parents and students of the Randolph County School System,

This is Stephen Gainey. I am calling to make you aware of a change in the school system's procedure pertaining to the use of cloth face coverings by students and staff members. At the Board of Education meeting on 11/2/21, a decision was made to make wearing cloth face coverings optional for students and staff members in our school system effective Monday, 11/15/21. Again, this change in the school system's procedure with regard to the use of cloth face coverings is effective Monday, 11/15/21.

This message also will be posted on the homepage of the school system's website for your reference.

I hope everyone has a great night!!!!
