## Welcome Back!

Richard Carroll Elementary Families,

On behalf of the faculty and staff of Richard Carroll Elementary School (RCES), welcome to the 2024 - 20225 school year. Wow, what a difference a year makes! I feel we have grown so much as a school and community and am so proud to be the principal of RCES.

RCES is a school rich in tradition where children are the focus. Together we will provide a high-quality, rigorous educational experience for ALL our students, preparing them with the knowledge and skills needed for success.

Thank you to all of our stakeholders. It is with your continued support, RCES will continue to flourish. Should you have any questions, suggestions, or concerns, please do not hesitate to contact me. My door is always open to my RCES Family and Community.

I look forward to another AWESOME, successful school year!

Mandy Edwards, Principal
