*We have a big week next week Saints. It's all good stuff but it is kind of a lot. Once we get through these activities we will be ready to really focus in. Please plan your week's lessons around all the activity and know that it is ok if it feels like your year is starting a little more slowly than usual.

Kudos:

Saint of the Season is a great tradition unique to SMHS. Today was another great success with a large number of clubs, sports, and alumni represented. Kudos go out to Mr. Laurence Orlick and Adrian Salazar for organizing this great event. This is always a fun way to get students involved in school activities and realize that they are part of a Saints Family both past and present. It's always a positive way to get the year off to an amazing start. Thanks to everyone involved and thanks again Adrian and Orlick for another great March!

Message from Administration/ Important Items and Reminders:

Our school year is off to a really good start as it seems we are **all** thankful to be starting up the school year in full swing.

During our teacher training day Tuesday our theme was teamwork, and specifically that “It Takes Us All” to best meet the needs of all of our students. We continue to enforce the dress code (especially the mid-drift shirts and ball caps that are not SMHS apparel) as those changes made a huge difference last spring. This fall, we are emphasizing “cell phones away, hoodies back, and earbuds out” policy so students get a constant message that inside the classroom, these are a campus-wide expectation. We will have posters delivered to your room next week so that the policy is visible in every classroom. It’s easy and effective if we all stay consistent. So far, it sounds like it is working. Keep up the good work out there!!
