75	Homework!!!!!! I believe homework is very lax. There should be no reason why there is one page if HW per night for 5 months. There is NO writing hw, no spelling hw, just one page of 1+1 math. This is the reason why a lot of the children are falling behind! Please DO BETTER!!!	2/6/2023 5:54 PM

14	I love this school!! My child has grown so much since attending Northside Elementary and we very much look forward to their siblings attendance as well. The staff are always cheerful and helpful and always there to help. I haven't had a negative experience here at all. We always feel welcome!	2/14/2023 4:02 PM

39	My student is raised in a single parent home. The school had a father son/father daughter event. It also had a grandma event. He had some sentimental questions when he arrived home which made him sad. I'd like to see the school exercise emotional Intelligence by preventing children from feeling left out. Maybe change the name to Family tea time or Family reading night.	2/9/2023 11:30 AM

58	I think the school should come up with some type of play or assembly teaching and talking about bullying! The importance of how serious bullying is and how it affects the student who's being bullied!!! I also think they should come up with free tutoring for all subjects that kids may be having a difficult time with learning or understanding! What happened to the school books? Bring back the books, Math Book, Social Studies English, Science Etc. The books at least had examples to go by to help with homework!	2/8/2023 11:27 AM
