

Good afternoon.

We have an exciting week of learning and leading.

We enjoyed seeing everyone at the game today and our leaders did an amazing job. We are so proud of your leadership!

This upcoming week our students will have another opportunity to show their leadership skills during the student-led conferences. Parents make sure you have signed up for your conference when you will learn more about your child's accomplishments this year.

We also celebrate teacher appreciation week this week so don't forget to wear your teacher's favorite color on Monday. We have daily activities to show our appreciation for all our educators at PPS.

There are many activities going on at PPS this month so make sure you follow us on Facebook and check your child's binder daily so you do not miss any opportunities for your children.

We will be sending home a save the date this week for May 23-24. Our students will celebrate the school year on these two days with Leadership Days. Each class will have a scheduled time when they will invite you to see more of their yearly accomplishments.

Thank you again for your support.
