★ SUPPORTING YOUR STUDENT AT HOME

We are coming even closer to the end of the 1st grade school year! It's an exciting yet sad time knowing that we will be leaving purple pod and moving up! To help ease the transition, start having discussions with your child on what goals they'd like to make and work to achieve before leaving 1st grade. For example, reading a chapter a day or beating a personal record of math problems in one minute.
