Assistant Principal Spotlight

Assistant Principal's Week April 4-8th

At Kings Chapel, we are fortunate to have two amazing Assistant Principals! Mrs. Shillcutt and Mrs. Shumway play many important roles at school and do an amazing job with our students and staff. If you

see them at school or in the community, please thank them for their hard work and dedication to KCES!

Georgia Milestones Testing

If you are a parent of a 3rd, 4th, or 5th grade student, your child will be taking the Georgia Milestones Test in April. The Georgia Milestones is a comprehensive end-of-grade assessment. It measures how well students learned the material and skilled outlines in the state-adopted content standards. Scientific Studies have proven that the following **Test-Taking Tips** will help students do better on standardized test.

Please make sure your child:

- Gets enough sleep by going to bed early on nights before the test.
- Gets to school early (If students are late for the test they will not take that section with their class and will have to make-up the missed part later.)
- Wears his or her glasses, if applicable
- Wears comfortable clothing
- Eats a good breakfast

WE KNOW ALL STUDENTS WILL DO GREAT!

Each \$10 coupon is good for a \$20 car wash. Our school will profit \$5 for each ticket sale. Please check upcoming Wednesday folders for more information.

YEARBOOKS

One to One Learning Devices

In February, all of our students received their own personal learning device. Pre K and Kinder students received a class set of iPads that will stay at the school. 1st graders received a set of Chromebooks that will also be kept at school. 2nd through 5th graders were issued Chromebooks that are transported back and forth to school every day. These devices are being used to enhance instruction during the school day, and teachers are working to extend students learning at home with these new student computers. Contact your child's teacher if you want more information about how your child can get the most out of their device at home. A list of online learning resources can be found in the "Student Resources" bubble on our school website at kces.hcbe.net. Thank you for helping your child have their Chromebook stored in a safe place every day where it can be charged up and returned to school.
