5:30 to 6:30 p.m.

1. Introduction – Members and Guests (5)
 - Meeting had to be rescheduled from 01/24/2022 to 01/31/2022.
2. Principal’s Report (15)
 - Mr. Goins reviewed S1 data for JMS.
 - Over 70% of students made growth in Reading and Math based on iReady Formative Assessments.
 - 55% of students met their mid-year growth goals for iReady.
 - Mr. Goins contributed these results to the hard work of JMS’s students, core teachers, and instructional assistants – highlighting the modeling of close reads in R2S.
 - Students will continue to work on their iReady goals during R2S and Enrichment before taking a 3rd Formative Assessment in April 2022.
3. Discus Goals for 2021-2022 (10)
 - **Increase Parent Communication:**
 - Continue and enhance the utilization of Bright Arrow Messages, along with Facebook and the website.
 - Discussed the strengths and weaknesses of each modality and how communication can be improved through each.
 - Look at a streamlined process to ensure those operating those methods of communication receive information in a timely manner.
 - JMS will receive a new digital sign that will also help improve communication and sharing of information
 - **Increase Student Achievement:**
 - Continue to review quarterly Benchmark data for ELA and Math, iReady data for Reading and Math, Content Recovery data, and quarterly academic performance for students in grades 5 through 8 as we continue to plan future goals.
 - Provide feedback and ideas on the JMS Strategic Plan and Academic Recovery Plan.
