Life insurance coverage available with no health questions

There are certain times in which you can enroll for coverage without answering health questions. Below is a summary of those options.

A full list of your life insurance coverage options is outlined on the next page. To apply for coverage other than what's outlined here, you'll answer three questions about your health history – along with height and weight. Applicants who want to enroll or increase coverage after transferring from one state agency to another state agency also will be required to answer the health questions.

Within 31 days from the start date of your employment

- Spouse term life: If you enroll in option 1, your spouse will be eligible to receive up to one-half your creditable compensation, not to exceed \$200,000 (all other options will require health questions)

Frequently asked questions

Q. What is term life and AD&D insurance?

A. Group term life insurance provides a cost-effective way to prepare for the unexpected by adding an extra level of protection during your working years. Your loved ones may benefit from life insurance to cover medical bills, funeral costs and estate management expenses. It can also be a critical resource in helping with your family's ongoing expenses.

Accidental death and dismemberment (AD&D) insurance provides additional financial protection in the event that a covered accident results in an insured person's loss of life, hearing, sight, paralysis and more.

Q. Do I have to answer health questions?

A. Enrolling for coverage other than what is outlined on page one will require that you answer three questions about your health history, along with height and weight. Based on your answers, it will be determined whether anything further is needed to make a decision to approve or decline the application. If by any chance your application is not approved, you will still get any coverage that didn't require the health questions and it will not affect any coverage you already have.

Q. Can I take my coverage with me if I leave VRS?

A. You can continue to be insured with Securian beyond active employment without answering health questions. Premiums are generally higher than those paid by active employees.
