### Dear Evaline Families,

As the summer progresses, we are thinking about the 25-26 school year and are excited to have the students return! We hope our students are taking time in their schedule to do some independent reading in books of their choice. This is an easy way to keep their minds fresh and ready for the next school year.

We are currently planning our schedules, professional development, and our regular routines as your summer concludes. We look forward to seeing you soon!

Sincerely,  
Superintendent Kyle MacDonald

### Evaline Traditions & School Board Meetings

We are proud of our traditions, our dedicated school board, teachers, support staff, booster club, parents, community and eager students. We believe that education is a partnership. It is a shared responsibility of each student, staff member, and parent, as well as all residents of our community. The role parents play in the education and discipline of their children is immense. We are continually looking for ways to improve and refine the programs we implement to provide a high quality learning environment for all students. Your interest and involvement in your child's learning will help us successfully meet the challenges that lie ahead. We welcome your ideas and suggestions. Regular school board meetings are held the third Tuesday of every month at 6:30 P.M. Your input and ideas are most welcome.
