

Friends of Catholic Education (FOCE) Food Gift Card Program is just not for grocery purchases!!!

The cost of providing a good Catholic Education for our children can be a little daunting, but there are many different ways we can ease that stress. One way is by participating in the FOCE Food Gift Card Program. We all purchase groceries and we can save money towards tuition, but what most of us don't know is that the gift cards are just not for grocery purchases.

For example,

Giant Eagle gift cards can be used for other gift card purchases offered at Giant Eagle.

Vacation/Travel – *Airline gift cards, Hotel gift cards, Disney and Universal Studio gift cards*

Other stores – *Target, JoAnn's, Macy's, JCPenny, HomeGoods and many more*

Home remodeling or garden work – *Lowe's, Homedepot gift cards*

Eating out – *Chick Fil A and all other fast food places, Panera, Chipotle, BoneFish Grill, Cheesecake Factory and many other restaurants*

A sweet treat – *Cold Stone, Rita's, Starbucks, Sweet Frog and many more*

Last but not least – *Amazon gift cards*

Giant Eagle has hundreds of gift card options in different denominations to choose from, for your own purchases or for holiday, birthday and teacher gifts.

Food Gift cards can also be used for Gas purchase at respective gas stations.

*Giant Eagle gives a discount on gas purchases at Getgo with any purchase in store.

The 4% credit goes directly towards your child/children's tuition. You just have to order and pick up cards at your convenience. We will do the rest.

4% for every purchase adds up toward a great tuition discount for the year. You also have a choice to give credit to another family or donate it to the school tuition fund which gives scholarships to students.

Please reach out with questions anytime..
