## The Rebel Report

## Calendar

The Rebel wrestlers hit the mats in Huntley on Friday and Saturday and had fantastic success. Our junior and senior girl wrestlers both took first; the senior boy earned fourth; and our sophomore boy placed second. (One wrestler did not wrestle this past weekend.) We wish them luck today at Skyview. .

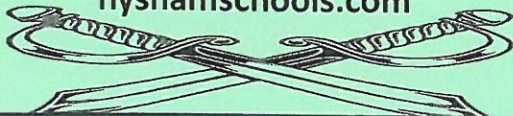

On Friday, the JV girls beat Roberts 52-15, varsity girls lost 65-35, and varsity boys won 37-28. The teams go to Rapelje today where the varsity competes, and they play in Custer on Friday to finish out the 2023 portion of the season. Teams will practice over break, but no competitions will happen again until January.

No coffee this week! We will fire up again after the break.

# Holiday Classic Viewing

Christmas vacation is finally coming around, and students and staff here are ready to begin celebrating. What better way to kick off the break than to watch a classic Christmas film?

The staff was surveyed to find out what the best holiday movie is. The overall winner was *National Lampoon's Christmas Vacation* with six of our staff members claiming as their favorite. A close second was *Elf* with four of our staff members saying it was their favorite. *Home Alone* and *The Grinch* (the scary live-action one with Jim Carrey) were tied at third with two votes apiece. We had a few that came in as a surprise including *A Charlie Brown Christmas* from our secretary Kerry Roberts and *Snow Day*, a movie that the surveyor had never heard of in her life, that scored a whopping 29% on Rotten Tomatoes, from our 1st-2nd grade teacher Darcie Klein.

All in all, the staff chose *National Lampoon's Christmas Vacation* as their favorite holiday movie, but English teacher Glenda Skillen wants to make note of *A Christmas Story* if you are looking for a delightful holiday film for the family.
