Superintendent

The Wyoming Area School District recognizes that a child's education is a responsibility shared by the school and parents. In order to effectively educate all students, the school and parents must work together as knowledgeable partners.

The Wyoming Area School District defines parent and family involvement as an on-going process that assists parents and families to meet their obligation as their child's first educator, promote clear two-way dialogue between home and school, and support them as leaders and decision makers at all levels concerning the education of their children.

The Wyoming Area Title I Schoolwide Program is instituting a Title I Parent Advisory Council. This council will consist of parents, teachers, school administrators, school-related volunteers, and community members. The purpose of this council is to assist the district's Title I staff in the development, implementation, and evaluation of Primary and Kindergarten Centers schoolwide plan.

If you are interested in being part of the Title I Parent Advisory Council, please fill out the attached Google Form. The deadline to complete this form is Friday, November 8th.

Thank you,

Mr. David Pacchioni

Title I Coordinator
