

DCAS & L UNIT PROJECT

Practice Makes Perfect

Students have learned how to ask for help and have learned about emotions in English. Please practice asking for help and ask each other how they are feeling. This week we are using transition words to put things in order.

Transition Words

Students are learning how to use transition word to put ideas in order. We are learning English vocabulary for the kitchen and talking about our favorite foods.

Family Recipe

Next week, I would like the students to bring a favorite snack that they make at home. Bring the snack and the recipe and students will explain the order how to prepare this snack to the class.

Notes

- MAAP testing happens May 6-10.
- Here is the day your child can bring their food: _____
