I have been listening to your radio station for several years. Your ministry has blessed me in more ways than I can list. Many times the DJs have been right on target when playing songs that have really ministered to me and was needed at the exact moment it was played.

The enclosed gift is just a way of saying I support what you are doing. It is always a joy to sow seeds in a ministry that is making such an impact in the world today. Thank you from the bottom of my heart.
