

School Violence Awareness Week 2024 **October 21-25**

In Accordance with the New Jersey School Association (18A:36-5.1) all schools in NJ required to annually designate the third week in October as School Violence Awareness Week. School districts observe this week by providing age-appropriate instruction to discuss methods for keeping schools safe from violence, to consider school safety and security plans, and to learn how to recognize students in need of help.

Throughout the week teachers and staff will engage in activities and/or discussions that address preventing school violence, including, opportunities for student discussion about conflict resolution, bullying prevention and issues of student diversity and tolerance.

On Friday, October 25, 2024 we will close out the week! It would be a **JEAN-ious** idea if we showed each out how much kindness **COUNTS** and wear jeans and a school appropriate shirt with any number on it!
