

REID STATE TECHNICAL COLLEGE

"The College That Works"

Good Afternoon,

Students were mailed distribution checks April 6, 2021 from the HEERF II funding established by the CRRSAA. We wanted to give you information in case you encounter student questions.

- Name: Some reference this funding as "CARES Act II" but this is different and officially HEERF II funding established by the CRRSAA.
- Eligibility: Each institution establishes eligibility individually, however, students must be citizens. Reid State chose to distribute to all credit students which includes Dual Enrollment.
- Amount: It is required, by law, that the amount be different for those who have a greater need. Reid determined need based on EFC. Students with an EFC ≤ 5711 received \$50.00 more than those with an EFC > 5711 .
- FAQ's: How many did not receive a distribution...299 of our 301 Spring 2021 credit students received a distribution. None of our 27 Spring 2021 non-credit students received a distribution.
