Graphing A Snowflake Using Piecewise Functions

Directions: Your task is to graph a snowflake using piecewise functions. You may create your graph by hand on graph paper at home, or you may use online DESMOS graphing calculator. I will include a link and directions to the online graphing calculator. **HINT – yours does not have to be as complex as the example.**

Example:

Here is the link to the Desmos Online Graphing Calculator:

<https://www.desmos.com/calculator>
